

## 2014 Leaders & Honors Award Recipients

First name	Last name	Academic Department	Award Title
Katherine	Wagner	Mechanical Engineering	A.D. Moore Award
Rachael	Bielajew	Nuclear Engineering and Radiological Sciences	Arlen R. Hellwarth Award
Anna	Gray	Computer Science Engineering	Arthur B. Singleton Prize
Michael	Bruk	Industrial and Operations Engineering	Charles F. Barth, Jr. Prize
Martha	Neubauer	Chemical Engineering	Clifton S. Goddin Prize
Brooke	Huisman	Biomedical Engineering	Cooley Writing Prize, Fiction Division
Rachael	Bielajew	Nuclear Engineering and Radiological Sciences	Distinguished Achievement Award
Ruiqi	Chen	Aerospace Engineering	Distinguished Achievement Award
Ryan	Chen	Industrial and Operations Engineering	Distinguished Achievement Award
James	Kessler	Atmospheric, Oceanic and Space Sciences	Distinguished Achievement Award
Sarang	Laffin	Naval Architecture and Marine Engineering	Distinguished Achievement Award
William	Liu	Computer Science Engineering	Distinguished Achievement Award
Nicholas	Montes	Mechanical Engineering	Distinguished Achievement Award
Paul	Myers	Electrical Engineering	Distinguished Achievement Award
Richard	Polan	Civil and Environmental Engineering	Distinguished Achievement Award
Joseph	Sedlack	Biomedical Engineering	Distinguished Achievement Award
Michael	Shook	Chemical Engineering	Distinguished Achievement Award
Scott	Su	Computer Engineering	Distinguished Achievement Award
Melissa	Sweeney	Materials Science and Engineering	Distinguished Achievement Award
Matthew	Warnez	Engineering Physics	Distinguished Achievement Award
Katherine	Avery	Mechanical Engineering	Distinguished Leadership Award, Graduate Student
Gregory	Cass	Mechanical Engineering	Distinguished Leadership Award, Graduate Student
Maria	Choi	Aerospace Engineering	Distinguished Leadership Award, Graduate Student
Nicholas	Clift	Electrical Engineering: Systems	Distinguished Leadership Award, Graduate Student
Rosemarie	Figueroa	Industrial and Operations Engineering	Distinguished Leadership Award, Graduate Student
Yoonseob	Kim	Chemical Engineering	Distinguished Leadership Award, Graduate Student
Mai	Le	Electrical Engineering	Distinguished Leadership Award, Graduate Student
Nguyen Huu	Phuoc Nguyen	Mechanical Engineering	Distinguished Leadership Award, Graduate Student
Katherine	Sebeck	Materials Science and Engineering	Distinguished Leadership Award, Graduate Student
Sarang	Supekar	Mechanical Engineering	Distinguished Leadership Award, Graduate Student
Jill	Bender	Computer Science Engineering	Distinguished Leadership Award, Undergraduate Student
Michelle	Howard	Mechanical Engineering	Distinguished Leadership Award, Undergraduate Student
Isabel Maria	Bonachera Martin	Electrical Engineering	Distinguished Leadership Award, Undergraduate Student
Elio	Morillo	Mechanical Engineering	Distinguished Leadership Award, Undergraduate Student
Matthew	Nelson	Industrial and Operations Engineering	Distinguished Leadership Award, Undergraduate Student
Nabeel	Salka	Biomedical Engineering	Distinguished Leadership Award, Undergraduate Student
Kara	Stoltze	Industrial and Operations Engineering	Distinguished Leadership Award, Undergraduate Student
Melissa	Sweeney	Materials Science and Engineering	Distinguished Leadership Award, Undergraduate Student
Justin	Tsu	Atmospheric, Oceanic and Space Sciences	Distinguished Leadership Award, Undergraduate Student
Allison	Wong	Industrial and Operations Engineering	Distinguished Leadership Award, Undergraduate Student
Society of Women Engineers			Elaine Harden Award
Tau Beta Pi			Elaine Harden Award
Lauren	Bilbo	Electrical Engineering	Epeians Emerging Leadership Prize
Laura	Lindgren	Chemical Engineering	George M. Landes Prize (Team 1)
Matthew	Maiers	Chemical Engineering	George M. Landes Prize (Team 1)
Christopher	McMullen	Chemical Engineering	George M. Landes Prize (Team 1)
Arthur	Shih	Chemical Engineering	George M. Landes Prize (Team 1)
Jeff	Plott	Mechanical Engineering	Harry B. Benford Award for Entrepreneurial Leadership

First name	Last name	Academic Department	Award Title
Sandro	Salguero	Aerospace Engineering	Henry Ford II Prize
David	Moore	Mechanical Engineering	Hugh G. Rumler Prize
Abhishek	Kumar	Aerospace Engineering	Ivor K. McIvor Award
Sara	Rimer	Civil and Environmental Engineering	Marian Sarah Parker Prize, Graduate Student
Rachael	Bielajew	Nuclear Engineering and Radiological Sciences	Marian Sarah Parker Prize, Undergraduate Student
Rachael	Bielajew	Nuclear Engineering and Radiological Sciences	Mildred and Steele Bailey Prize
Jason	McCormick	University of Michigan Steel Bridge Team	Outstanding Student Organization Advisor Award
Nick	Asendorf	Electrical Engineering: Systems	Richard F. and Eleanor A. Towner Prize for Distinguished Academic Achievement
Nasim Haji Akbari	Balou	Chemical Engineering	Richard F. and Eleanor A. Towner Prize for Distinguished Academic Achievement
Mostafa	Bedewy	Mechanical Engineering	Richard F. and Eleanor A. Towner Prize for Distinguished Academic Achievement
Erica	Chen	Materials Science and Engineering	Richard F. and Eleanor A. Towner Prize for Distinguished Academic Achievement
Robert	Eastman III	Integrative Systems and Design	Richard F. and Eleanor A. Towner Prize for Distinguished Academic Achievement
Lingli	He	Civil and Environmental Engineering	Richard F. and Eleanor A. Towner Prize for Distinguished Academic Achievement
David	Hodapp	Naval Architecture and Marine Engineering	Richard F. and Eleanor A. Towner Prize for Distinguished Academic Achievement
Yoonseob	Kim	Electical Engineering	Richard F. and Eleanor A. Towner Prize for Distinguished Academic Achievement
Taisuke	Kojima	Macromolecular Science	Richard F. and Eleanor A. Towner Prize for Distinguished Academic Achievement
Abhishek	Kumar	Aerospace Engineering	Richard F. and Eleanor A. Towner Prize for Distinguished Academic Achievement
Jin	Meng	Atmospheric, Oceanic and Space Sciences	Richard F. and Eleanor A. Towner Prize for Distinguished Academic Achievement
Pooya	Movahed	Mechanical Engineering	Richard F. and Eleanor A. Towner Prize for Distinguished Academic Achievement
Paras	Patel	Biomedical Engineering	Richard F. and Eleanor A. Towner Prize for Distinguished Academic Achievement
Sang-Heon	Song	Nuclear Engineering and Radiological Sciences	Richard F. and Eleanor A. Towner Prize for Distinguished Academic Achievement
Alex	Burnap	Integrative Systems and Design	Richard F. and Eleanor A. Towner Prize for Outstanding Graduate Student Instructors
Sakib	Elahi	Biomedical Engineering	Richard F. and Eleanor A. Towner Prize for Outstanding Graduate Student Instructors
Hamid-Reza	Ossareh	Electrical Engineering and Computer Science	Richard F. and Eleanor A. Towner Prize for Outstanding Graduate Student Instructors
Bryce	Wiedenbeck	Electrical Engineering and Computer Science	Richard F. and Eleanor A. Towner Prize for Outstanding Graduate Student Instructors
Armin	Alaghi	Computer Science Engineering	Richard F. and Eleanor A. Towner Prize for Outstanding PhD Research
Weiqliang	Chen	Mechanical Engineering	Richard F. and Eleanor A. Towner Prize for Outstanding PhD Research
David	Lai	Biomedical Engineering	Richard F. and Eleanor A. Towner Prize for Outstanding PhD Research
Andrea	Berkemeier	Biomedical Engineering	Roger M. Jones Fellowship
Michael	Boyd	Chemical Engineering	Sinnott Prize
Abhinav	Appukutty		Tau Beta Pi First Year Award
Margo	Leibold		Tau Beta Pi First Year Award
Christopher	Wang		Tau Beta Pi First Year Award
Joshua	Kempfer	Chemical Engineering	Tom S. Rice Tau Beta Pi Award
Vivek	Vijoyakumar		William H. Mack Engineering Prize
Gideon	Billings	Electrical Engineering	William Harvey Seeley Prize
